What to Bring to Camp Four Paws

1. **Food:** In zip lock bags no bigger than 1 gallon labeled with the dog's name and the exact amount to feed in 8 oz. cups. (i.e., Fido, 1 cup). We feed twice a day.
2. **Medicines, if needed.** Pill organizers are helpful. Help us by being prepared if your dog has allergies. (i.e., 1 benedryl x 2/1 fish oil x 2) Please get instructions from your Vet.
3. **Blanket or Bed:** This should be washable (or have a washable cover) and labeled with your dog's name inside and out. ☺ We take special care to keep everything very clean so please no beds with slab foam interiors.
4. **Vaccination Record:** Please attach a copy to your original paperwork. Then, bring in a copy every time you visit. We must be strict about this. ☺ A \$10 verification fee will apply if we need to check with your vet. Please get vaccinations at least one month before coming if the dog is due. Dogs given modified live vaccines (intranasal) within 14 days of visiting will need quarantine for a few days.
5. **Happy Dog:** Ready to play and play and play...or just sun themselves and get hip scratches!

Please Do Not Bring:

Food bowls, valued toys, things you'd be sad if you didn't get back. ☺ We will provide plenty of extra clean warm snuggly blankets. ☺

Directions

From Walnut Creek: Come up Ygnacio Valley Rd., then right on Clayton Rd., then 5.8 miles, then right on Morgan Territory Road, then 1.9 miles, then right on Curry Canyon Rd. We're the first place on the left. Please do not let dogs potty in our flower beds. ☺ Please call to schedule an appointment.

Your dog is going to have so much fun. Get ready to rest when you get home.
